**Jean-Pierre Lespine**

Jean-Pierre Lespine has been known to me and my yachting partner, Mr. Robert Cook since 1996.

In 1999, Mr. Lespine was appointed Captain of two vessels.

The first was 'BLOODHOUND' a 1936 built 63' Camper & Nicholson yawl. He arranged all the restoration of this classic gentleman's racing yacht, and was captain at a series of Classic yacht regattas, including the famous 2001 Americas Cup 150 year Jubilee Regatta in Cowes. Mr. Lespine sailed Bloodhound to and from the Mediterranean from the United Kingdom.

The second vessel was a 65' Mangusta motor cruiser, 'SHAHEEN'. This was a fast Flybridge express motor boat, with a speed in excess of 30 knots. He was responsible for the up-keep and captains duties.

He is a competent engineer and has continuously up-graded his marine qualifications during his time with us.

We have no hesitation in recommending him.
